SUFFOLK, Va. (May 20, 2010) Approximately 112 homes in the Deerfield subdivision off of Shoulders Hill Rd are temporarily without water for an emergency repair. The problem has been identified as a water line cap failure.

The Department of Public Utilities is currently working to make repairs. Service will be returned to those affected as soon as possible.

If residents have any questions during this process, they are asked to contact Suffolk Department of Public Utilities at 757-514-7000.
