**Emu On the Run Finds Good Home**

SUFFOLK, Virginia (June 22, 2010) Suffolk Animal Control advises that with the assistance of Virginia Zoo personnel, they were able to coax and catch the emu which has been running at large in the King's Fork Farm neighborhood and surrounding wooded area. Not only was the young bird, which measures almost 6 feet tall, captured without incident, it now also has found a new home at the Virginia Zoo.
