PORTION OF HIGHLAND AVE TO CLOSE FOR UTILITY WORK

SUFFOLK, VA (November 19, 2009) The Department of Public Utilities announces that Highland Ave. between Kingsboro St. and Lake Side St. will be closed to through traffic beginning November 30. This closure will allow for the replacement of a sanitary sewer gravity main. The work is estimated to take four weeks. Local access will be provided.

If should have any questions, please contact Suffolk Department of Public Utilities at 757-514-7000.
