Lane Closed for Repairs

SUFFOLK, VA (January 18, 2010) The Suffolk Department of Public Works advises that the inside left lane of Rt. 58 Holland bypass, east bound will be closed to Longstreet Lane from January 19-29, 2010. This closure will allow contractors to repair and replace a concrete cross drain.

If citizens have any questions, they can contact 514-7624.
