## **NEWS RELEASE**

Nansemond Pkwy has re-opened.

## **NEWS RELEASE**

SUFFOLK, Va. (September 25, 2008) The 2700 blk. of Nansemond Pkwy, which is in the area of Upton Ln., is currently closed due to two broken power poles and lines down in the roadway. The incident was reported just after noon. It is believed that wind caused the damage to the poles.

Dominion Power is currently on scene. They have estimated that the road will be closed for another two hours. This could have some impact on school bus routes this afternoon.
