UPDATE

SUFFOLK, VA (December 5, 2010) Suffolk Police advise that west bound Holland Rd. at the Holland by-pass has been closed due to icy conditions. West bound traffic is currently being rerouted through downtown Holland.

SUFFOLK, VA (December 5, 2010) Suffolk Police are requesting that drivers pay special attention and use caution on bridges and overpasses this morning. They have investigated multiple accidents due to black ice. Black ice is commonly a thin, unexpected and nearly invisible coating of ice on a roadway or walkway surface.
