**SUFFOLK TOURISM LAUNCHES REVAMPED WEBSITE**

SUFFOLK, VA: The recently relocated Suffolk Visitor Center has unveiled a revamped virtual presence to accompany its new distinguished physical presence. Situated in the newly renovated Nansemond County Courthouse, the Visitor Center assists residents and travelers daily from 9 a.m. until 5 p.m. Using the newly enhanced Suffolk-Fun.com website, visitors can glean detailed information about event listings, attractions and recreation information, to conference and reunion planning, 24 hours a day.

“While we have hosted Suffolk-Fun.com for several years, this makeover complements our physical renovation and our focused effort to attract groups,” said Theresa Earles, Tourism Development Coordinator. “It is a toolkit for travelers and meeting planners preparing for a leisurely stay, a conference, reunion or wedding.” Coming soon to the site will be an expanded event calendar, a photo library and upgraded press room.

The Suffolk Visitor Center and Tourism Development office is located at 524 North Main Street in downtown Suffolk, directly across from the Suffolk Conference Center. Log onto Suffolk-Fun.com for more information.
