Suffolk Work Zone Alert

SUFFOLK, VIRGINIA (December 2, 2010) The Suffolk Public Works Department is busy repairing roadways across the city today.

There is a flagging operation on Hall Avenue today through Wednesday, December 15th, for the installation of sewer taps and water services to the Fairgrounds Project. This operation will be performed from 9 a.m. until 4 p.m.

A paving crew is working on Carolina Road with a left lane closure in the southbound direction between Benton Road and Airport Road from 7 a.m. until 5 p.m.

A road maintenance crew closed the right lane in the northbound direction of College Drive between Applebee's and TCC College from 9 a.m. until 3 p.m.

Another road maintenance crew closed the right shoulder on the Southern 13/32 Bypass of the Hwy.58 eastbound ramp from 8 a.m. until 3 p.m.
