**POSSIBLE TRAFFIC DELAY – SUPER LOAD MOVE SUNDAY  
MORNING**

SUFFOLK, Virginia (January 27, 2011) If you are traveling on eastbound Route 460, the Suffolk Bypass or US58 between 9:00 AM and 12 Noon Sunday morning, January 30th, the Department of Public Works would like to make you aware of four super load moves that could possibly cause a delay in traffic. Four sections of a modular home, each measuring 96 feet long and weighing 30,000 pounds, is scheduled to enter Suffolk on Route 460 from Isle of Wight County, and will then travel the Suffolk Bypass and US58 East to the City of Virginia Beach. The move will have front and rear pilot cars.
