Suffolk Work Zone Alert

SUFFOLK, VIRGINIA (October 29, 2010)-Suffolk Public Works crews are hard at work making sure you have a smooth ride throughout the city. They want you to know about road projects which might result in slight travel delays today.

Crews are working on Route 58 eastbound with a right lane closure for asphalt operations a half mile west of Lummis Road ending at Lummis Road from 7 a.m. until 9 a.m. Once complete, they will move to Route 58 westbound with a right lane closure for asphalt operations at Lummis Road extending 2 miles west from 9 a.m. until 5 p.m.

Road maintenance will have a flagger operation with alternating lane closures on Bennett's Pasture Road between Harbor Road and John Yeates Middle School from 9 a.m. until 2 p.m. for ditch cleaning operations.
