### **Suffolk Work Zone Alert**

SUFFOLK, VIRGINIA (November 8, 2010)-Suffolk Public Works crews are out in full force working on road projects. We want to let you know about just a few of the many operations taking place.

There is a mobile flagging operation in both directions of Bennett's Pasture Road. There is also a flagging operation in the 3300 block of Sleepy Hole Road every day from 8:30 a.m. until 5 p.m. Work is expected to wrap-up Friday, November 12, 2010.

Drivers should take note of alternating lane closures on Kenyon Road between Lakeland High School and the railroad tracks. Paving operations are taking place today through Friday, November 12, 2010. Work begins each morning at 8:30 a.m. and stops at 4 p.m.

Public Works road maintenance crews will have alternating lane closures in the 200 block of Moore Avenue in front of Charter Communications from 8:30 a.m. until 3 p.m.

As always, please slow down and watch out for workers while driving through a work zone.
