Notice of Temporary Road Closure

SUFFOLK, Va. (September 11, 2008) –The Suffolk Department of Media and Community Relations announces the temporary closure of a portion of Bank Street for needed upgrades and reconstruction. Bank Street between Main Street and Commerce Street will be closed for approximately four-six weeks beginning September 22, 2008.

During this time, the Department of Public Utilities will be upgrading and replacing aging infrastructure. At the completion of utility upgrades, the Department of Public Works will be rebuilding and upgrading that portion of the street.

Closure will be to through traffic only. Local access to adjacent businesses should have minimum impact. Handicap parking for the Godwin Courts Building will be temporarily relocated to spaces on North Main Street and behind the courts building.
