## **TRUMAN ROAD FIRE DISPLACES TWO**

SUFFOLK, Va. (March 8, 2009) – Suffolk Fire and Rescue responded to a residential fire Friday night that displaced two residents. The fire call to the 1200 blk. of Truman Road was received at 7:15 p.m. Units were on scene within minutes and observed heavy smoke coming from the eaves of the single story, single family dwelling.

The fire was brought under control within fifteen minutes. Crews remained on scene for over an hour conducting salvage and overhaul operations. Investigation revealed that the fire began in the kitchen and was contained to that area. The remainder of the residence sustained major heat and smoke damage.

The structure sustained approximately \$25,000 in damage. The fire was determined to be accidental. There were no injuries.
