Suffolk Fire and Rescue Extinguish Kitchen Fire

SUFFOLK, Va. (October 1, 2008) Suffolk Fire and Rescue responded to kitchen fire, in a second floor apartment, in the 300 blk. of N. Main St. this evening. Emergency Communications Operators were notified of the fire just before 6 pm. Firefighters responded and were able to quickly contain the fire to the wall and stove area where the fire began. There was smoke damage to the second floor.

Two adults and two juveniles were displaced. The Red Cross has assisted with relocating the family for the evening.

The cause of the fire to the building, which according to a posted sign was built circa 1785, is under investigation.
