Kilby Shores Elementary School Evacuated Due to Smoke

SUFFOLK, VA (October 4, 2011) – Suffolk Fire & Rescue responded to Kilby Shores Elementary School, located at 111 Kilby Shores Drive, after a call came in at 2:13 p.m. regarding the smell of smoke in a classroom.

Students were evacuated from the building, and after it was determined that conditions were safe they were brought back to the gymnasium, where they are currently being released in an orderly fashion to their parents or to their respective buses for school dismissal at 3:15 p.m.

The source of the cause of smoke is still under investigation.
