UPDATE

Turlington Road has reopened to thru traffic. The cause of the fire remains under investigation.

UPDATE

The fire is under control. Turlington Road is completely shut down. If approaching the 600-block of Turlington Road from Holland Road, traffic is diverted to Jackson Road. If approaching from Carolina Road, traffic is being turned around at Turlington Woods School.

SUFFOLK FIRE & RESCUE WORKING STRUCTURE FIRE

SUFFOLK, Virginia (November 1, 2011) Suffolk Fire & Rescue is currently working a structure fire in the 600 block of Turlington Road. The call came in to dispatch at 2:06 p.m. The two-story detached garage was fully engulfed upon arrival of fire units.

The cause of the fire is unknown at this time. The Fire Marshal is investigating.
