RIBBON TO BE CUT ON POLICE ADMINISTRATION BUILDING

Suffolk, VA (July 29, 2009) A Ribbon Cutting Ceremony for the new Police Administration Building will be held on Tuesday, August 4th at 11 a.m. The Police Administration Building is a single story 17,500 sq. ft. facility located at the Municipal Complex in downtown Suffolk.

The new facility replaces the 13,000 sq. ft., 1962 built Police Headquarters. The new building will house the Police Department's central files, property and evidence processing, the forensics unit, criminal investigations, special investigations unit, information technology, holding cells and sally port, the office of the Chief of Police, and other administrative offices and support spaces.

The Total project budget is \$5.7 million. The architect is Moseley Architects from Richmond, VA, and the contractor is Raymond Key Commercial Contracting from Virginia Beach, VA.

There will be a special recognition of Retired Police Chief William Freeman at the event. Members of the public are invited and encouraged to attend.

The ribbon cutting will be part of the City's National Night Out Celebration. National Night Out community tours will begin from the Police Administration Building after a 5:30 kick off.
