Suffolk Police Investigate Credit Card Stolen from Elderly Woman

SUFFOLK, VIRGINIA (December 3, 2010) – Suffolk police are looking for two women who stole a credit card belonging to an elderly woman last month. Officers say both suspects used the stolen credit card on November 14 to buy Visa and American Express Gift cards.

One suspect made purchases at WalGreens at 2402 Godwin Boulevard, and then at Farm Fresh at 1401 North Main Street. She appears to be wearing a nurse's uniform. The other woman was seen buying the gift cards at WalMart at 1200 North Main Street.

Officers are trying to determine how the suspects were able to get the credit card from the victim. They say there was no sign of forced entry into the victim's home.

Surveillance cameras at all three locations captured pictures of the women police are looking for. If you have any information about the suspects, please call Crime Line at 1-888-Lock-U-Up. Detective Q. Beers is the investigator on the case.
