**POLICE SEEK LEADS IN DAYTIME BURGLARIES**

SUFFOLK, Va. (March 29, 2011) Suffolk Police are investigating numerous burglaries that have occurred in the past two months and are asking for assistance from the public. Investigators advise that since February 1, there have been fifty-two burglaries that have occurred all over the city. The burglaries have been committed primarily during daytime hours when homeowners are at work, and the thieves appear to be targeting flat screen televisions and jewelry.

Police did receive a report of a suspicious vehicle in the area of one of the burglaries. The vehicle is described as a silver or gray Dodge Charger.

Investigators do have possible leads in some of the cases but still need help from the public. Police are asking citizens to be aware and be on the look out for unusual vehicles, possible unlicensed door to door sales people, or vehicles stopped in unusual places, as well as any suspicious activity or persons in the area. Citizens should look out for their neighbors during the daytime and report anything they feel out of the ordinary to police. Citizens observing anything suspicious are asked to call 911 immediately.
