## **UPDATE**

SUFFOLK, VA (September 7, 2010) Suffolk Police have released the name of the victim in Sunday's fatal vehicle accident. He is James William Hendrix II, age 52, of the 1100 blk. of Portsmouth Blvd. Suffolk. The accident remains under investigation.

SUFFOLK, VA (September 6, 2010) Suffolk Police investigated an accident that took the life of a man early yesterday. Suffolk emergency responders were dispatched to single vehicle accident in the 8400 blk. of S. Quay Rd. just before 4:30 a.m.

Preliminary investigation revealed a 2002 Ford Ranger was traveling east bound when the driver crossed into the center median and struck a culvert. The vehicle then went airborne and rolled several times and came to rest on its side facing west bound in the median. The driver was not wearing a seatbelt and was partially ejected from the vehicle. He died at the scene.

Police are investigating to determine the cause of the accident. Officer J.E. Bulls is lead investigator. The victim's name is being withheld pending confirmation of notification of next of kin.
