Suffolk, VA (March 4, 2010) Suffolk Police are investigating a series of burglaries in the Nansemond Parkway area and are asking for assistance from the public. Suffolk Police investigators advise that beginning in November of 2009, approximately six burglaries have occurred in the 1100-1900 block of Nansemond Parkway.

The majority of these burglaries occurred when the victims were away for extended periods of time. Entry to the residences has been primarily the rear door. Thieves appeared to be targeting electronic items such as laptops and gaming systems. Jewelry was taken in some of the cases and in three of the burglaries, guitars were stolen. Police believe the same suspect(s) are responsible for some or all of the burglaries. Detective John McCarley is the lead investigator on these cases.

Police are requesting that anyone that may have information on any of these crimes call Crime Line at 1-888-Lock-U-Up. When calling Crime Line, callers do not have to give their names or appear in court. If the information leads to an arrest, the caller could qualify for a reward of up to \$1,000.
