CRITTENDEN RD. CLOSED DUE TO WATER FROM DAMAGED FIRE HYDRANT

SUFFOLK, Va. (December 25, 2008) – Crittenden Road. is currently closed in the 8500 block due to water from a damaged fire hydrant. Police were notified at 8:30 p.m., after an accident occurred at that location. A power pole in that area has also sustained damage. The exact cause of the damage is unclear at this time.

Suffolk Police are currently on scene. Suffolk Department of Public Utilities and Dominion Power are in route.
