

Cell Phone Recycling Drive

Please join the Suffolk Clean Community Commission and the Suffolk Office on Youth in recycling your old cell phone! Most mobile phones are equipped with a chip that allows a person to call 911 even when there is no service connected to that phone. Phones will be donated to a local shelter, including potential victims of domestic violence. (When donating your phone, please also include the battery and charging devices.)

**Where: East Suffolk Recreation Center
138 South Sixth St.
Suffolk, VA, 23434**

**When: April 5 – 9, 2010
Anytime between the hours of 8 a.m.– 5 p.m.**

There will be a box located in the front lobby of the Center. Drop your old phone in the box.

For more information, please contact Jennifer Branham, Youth Coordinator for the Suffolk Office on Youth at (757) 514-4503.
