First Annual Suffolk Relay for Life Golf Tournament Proves Huge Success

SUFFOLK, VA (July 21, 2011) The first annual Suffolk Relay for Life Golf Tournament, held on June 24, 2011, at the Sleepy Hole Golf Course, was a huge success. The tournament featured a full field of golfers playing 18 holes, with all proceeds benefiting *Relay for Life*.

In a special ceremony during last night's City Council meeting, Mayor Linda Johnson and Police Chief Thomas Bennett presented a check on behalf of the City in the amount of \$15,000 to *Relay for Life*.

Since 1985, the American Cancer Society's *Relay for Life* campaign has brought together millions of volunteers who honor cancer survivors, pay tribute to the lives lost to the disease, and raise money to help fight it. Much more than a walk around a track, Relay is a time to celebrate those who have battled cancer, remember those lost and get inspired to fight back.
