Upcoming Road Closures Announced

SUFFOLK, VA- (September 9, 2010) The Department of Public Utilities announces that East Washington Street, from Liberty Street to Pinner Street, will be closed to through traffic from September 13-30. During the closure, traffic will be detoured by utilizing Liberty Street, Bank Street, and Pinner Street. This closure is necessary for the completion of utility work.

Also, two lanes of the 300 block of North Main Street will be closed from September 15-20 for utility work. One north bound and one south bound lane will remain open.

If anyone has questions during this work, they are asked to contact the Department of Public Utilities at 514-7001.
