 - **VMRC20-2267**, submitted by Jim Cahoon of Bay Environmental, Inc., agent, on behalf of James and Mary Metzger, property owners and applicants, for a permit to construct a living shoreline with a total of 160 linear feet of oyster castle blocks stacked three blocks high on filter fabric with planting area landward of the oyster castle sill. Vegetation will include *Spartina alterniflora* and *Spartina patens* with an oyster castle sill to abate wave energy. Goose predation protection fencing will be installed with planting to protect from goose damage to the plantings. This proposal does not qualify for a General Permit. This property is located at 5259 River Club Drive along the Nansemond River; further identified as Zoning Parcel 6D*RF*1*A*30, zoned PD, Planned Development Zoning District.
