UPDATE

SUFFOLK, Virginia (May 13, 2020) All lanes reopened at 4:43 p.m. at Route 58 Eastbound at Route 460 following this afternoon's earlier overturned tractor trailer accident. Residual traffic delays in the affected areas may still be experienced.

The investigation into the cause of the accident remains ongoing.

OVERTURNED TRACTOR TRAILER CLOSES ROUTE 58 EASTBOUND AT ROUTE 460

SUFFOLK, Virginia (May 13, 2020) Suffolk Police and Suffolk Fire & Rescue are currently on the scene of a single vehicle accident involving an overturned tractor trailer.

Emergency Communications was contacted at 12:55 p.m. advising of the accident at Route 58 Eastbound at Route 460 involving the overturned tractor trailer that also lost its load of scrap metal in the roadway.

Suffolk Fire & Rescue crews had to extricate the driver, an adult male, and he received emergency medical assessment and treatment for non-life threatening injuries.

The affected portion of the roadway is expected to remain closed for several hours as the debris is removed from the roadway and the truck is turned upright. Public Works staff are also on scene setting up multiple detours in the area.

The cause of the accident remains under investigation.
