ROAD CLOSURE DUE TO STORM DAMAGE TO BUILDING

SUFFOLK, VA (August 17, 2020) Due to damage to a building in the 300 block of East Washington Street, the roadway at that location along with Tynes Street at East Washington Street, is closed. The Suffolk Department of Public Works will be placing detour signs related to the street closures.

The Suffolk Planning & Community Development Department determined that the building is structurally unsound and the damage is believed to be the result of the tornadoes that hit Suffolk on Tuesday, August 4, 2020.
