**ROADWAY CLOSED DUE TO A DAMAGED TRANSFORMER AT CRITTENDEN
ROAD AND BRIDGE ROAD**

SUFFOLK, Virginia (August 23, 2021) Suffolk Police and Dominion are on scene of a damaged transformer at the intersection of Crittenden Road and Bridge Road due to an accident earlier today, Monday, August 23, 2021.

Emergency Communications was notified earlier this afternoon after a vehicle struck and damaged the transformer, and the roadway was initially closed in both directions for a period of time before one lane was then reopened with a southbound detour.

Suffolk Police are providing traffic control in the area, and crews from Public Works will be setting up a detour between Wooduck Court and Bridge Road.

The overnight complete road closure and detour is anticipated to remain in place for several hours.
