**PORTION OF ROUTE 58/HOLLAND ROAD SHUTDOWN DUE TO DOWNED
UTILITY LINES**

SUFFOLK, Virginia (October 27, 2021) Suffolk Police and Suffolk Fire & Rescue are currently on the scene in the 6000 block of Route 58/Holland Road, east of Pioneer Road, due to downed utility lines at that location. Emergency Dispatch was notified of the incident at 3:34 p.m.

Both eastbound and westbound lanes are closed at this time. It is unknown how long the closure will be in place. Dominion Power has been notified in order to respond to the scene.

It is believed the incident involved a hit and run and remains under investigation. No additional information is available for release.
