DOWNED POWER LINES CAUSE DETOUR

SUFFOLK, Virginia (January 21, 2015) Suffolk Police are currently on the scene at the intersection of Indian Trail and Ashburn Road due to a broken power pole and downed power lines.

It is believed the downed pole was caused by a hit and run accident. The roadway will be closed for approximately 5 hours as Dominion Virginia Power crews work to replace the pole. Public Works crews are en route to place detour signs in the area. There is also a power outage in the immediate area.
