ACCIDENT CLOSES PORTION OF ROUTE 58

SUFFOLK, Virginia (February 26, 2014) Suffolk Police and Suffolk Fire & Rescue are currently on the scene of an accident involving a tractor trailer and two passenger vehicles on Route 58 eastbound near the weigh scales.

Dispatchers received a call at 6:34 a.m. notifying of the accident. Two of the three eastbound lanes were closed and reopened at 7:50 a.m.

The preliminary investigation indicates that the tractor trailer was traveling in the middle lane when a Nissan Altima was struck, which caused the vehicle to spin out and strike the center guardrail before being struck by a Honda 4-door.

The female drivers of the passenger vehicles were both ground transported to Sentara Obici Hospital with minor injuries.

The cause of the accident is under investigation.
