**PEANUT FEST CONTINUES TO THRILL CROWDS**

SUFFOLK, Virginia (October 9, 2012) – A little rain earlier today can't keep the fun away as Peanut Fest continues at the Suffolk Executive Airport. Clouds were threatening this morning, but the sun is peeking through and concerts, special events and activities will carry on with Kellie Pickler hitting the main stage at 4:00 p.m.

Suffolk Festivals, Inc. invites everyone to come out and enjoy the last day of the festivities.
