### **SUFFOLK POLICE TO CONDUCT HIGHWAY SAFETY SURVEY**

SUFFOLK, VA (May 31, 2017) Traffic in the City of Suffolk has increased as the population has increased. The Suffolk Police Department is interested in the concerns of those who live and travel through the City regarding highway safety. The Suffolk Police Department believes, by seeking input, it can direct resources to those locations that need enforcement efforts.

As a result, the Police Department is conducting an online survey which opens June 1, 2017. This survey is asking for citizen input on a variety of highway safety issues and specific roadway locations based on crash, summonses and arrest incident data. Suffolk Police ask residents to take a few moments to complete the survey so the Department can serve you, the motoring public, better.

(more)

The link to the survey can be found on the Suffolk Police Department homepage at [www.suffolkva.us/spd](http://www.suffolkva.us/spd) or you can visit the survey directly at <https://www.surveymonkey.com/r/36HB9P7>. If you do not have a computer or access to a computer, you can pick up a copy of the survey from any Suffolk Police Department building.
