

City of Suffolk, Virginia

Department of Planning

Tree Protection Agreement

Tree Protection Agreement as required in accordance with Section 31-603(d)(1)(A) of the Unified Development Ordinance.

Application Number: _____ Project Name: _____ Date Received: _____
--

Office Use Only

I, _____ owner of property located at _____
and as shown on the site plan identified as _____ verify that:

1. All appropriate protection measurements shall be taken to preserve existing trees on said property in accordance with Section 31-603(d)(1)(A) of the City of Suffolk's Unified Development Ordinance. These measures shall include, but not be limited to:
 - A. The tree protection area, as identified on the above-referenced site plan, shall be designated with high visibility or chain link fence.
 - B. There shall be no encroachment into the protection area, including but not limited to, earth disturbing activities such as grading and/or stockpiling of soil or other materials within this area.
2. Any vegetation removed within the protection area shall be replaced with new vegetation, which meets the minimum requirements for new trees in accordance with Section 31-603(d)(1)(D) of the City of Suffolk's Unified Development Ordinance.
