THE SIGNATURE BELOW INDICATES THAT I AGREE TO COMPLY WITH THE CURRENT EDITION OF THE VIRGINIA UNIFORM STATEWIDE BUILDING CODE AND ALL SUPPLEMENTS AND THE EROSION AND SEDIMENT CONTROL REQUIREMENTS AS CONTAINED IN CHAPTER 34, SUFFOLK CITY CODE AND ALL OTHER CITY CODE REQUIREMENTS. THIS APPLICATION IS MADE PURSUANT TO U.S.B.C. SECTION 110. STRUCTURES ARE NOT PERMITTED TO BE PLACED ON EASEMENTS OR RIGHT OF WAYS. THE CITY WILL BE HELD HARMLESS FOR VIOLATION OF THIS POLICY. ****FENCES ONLY** - The property owner/permit holder is responsible for the easement access on the subject property as it relates to the fence associated with this fence permit. Be advised that the purchase of the permit does not allow property owner/permit holder to impede the easement holder's access. In the event access is needed, the property owner/permit holder will have to work out access with the easement holder accordingly. The City is in no way responsible for any damage or property inaccessibility that may result from any party as a result of the property owner/permit holder erecting the fence associated with this permit. If the easement is a City easement (in part or whole), issuance of the permit does not diminish the City's easement rights. Fences erected in easements may be required to be moved by the entity that has the easement rights (easement holder) and the City is not responsible for costs associated with the removal or destruction of the fence by the easement holder or anyone else. Per UDO 31-701 The "finished" side of any fence shall face outward towards surrounding properties and rights-of-way.
